Owner Background

Daniel Read — Founder & Sole Member

- Full-stack software developer & technology entrepreneur
- Built neural-network connectome hub (agent ecosystem registry)
- Active in e-commerce (OmniBay) and payment systems (OmniTender)
- Manages multiple ventures simultaneously
- Credit score ~550: recovering from divorce-related debt settlement
- Zero bankruptcies, zero foreclosures, zero recent late payments

Risk Factors & Mitigation

Honest Assessment

Credit score at 550

→ CDFI/SBA focus; strong business fundamentals

Inventory risk

→ Proven resale channels; diversified sourcing

Customer concentration

→ Multiple merchants; marketplace diversification

Economic downturn

→ Payment processing is counter-cyclical

Owner dependency

→ Build team as revenue scales
